Date: **March 12th, 2018**

Mr. Lokesh Mullapati,

Offer of Employment

Dear **Lokesh Mullapati,**

On behalf of JNIT Technologies, Inc. (E-Verify, Company ID Number: 367132) it is my pleasure to offer you the full-time position starting from **October 1st, 2018** as a **Java Developer**.

Mr. Lokesh Mullapati, Job duties are Develop several REST webservice which produces both XML and JSON to perform tasks, leveraged by web applications. RESTful webservice using Jersey for JAX-RS implementation. Responsible and active in the analysis, definition, design, implementation, management, and deployment of full software development life-cycle of project. Design and implement the Restful Microservice using Spring Kafka Listeners to consume the messages/ records from Kafka consumer and persisted the data to Cassandra DB and Oracle DB. Create and Use Jenkin Jobs for Continuous Integration with the Docker images which are used to wrap the Constructed code in layered file systems and share common files for better use of RAM. Use Amazon Web Services (AWS) that offers reliable and inexpensive cloud computing and remote computing services. Work with Apache Kafka (Message Queues) for reliable and asynchronous exchange of important information between multiple business applications. Developed Kafka consumers to consume data from Kafka topics. Responsible for creating efficient design and developing User Interaction screens using HTML5, CSS3, JavaScript, jQuery AJAX and JSON. Integrate the Java code (API) in JSP pages and responsible for setting up React framework for UI development. Utilize JavaScript and JQuery to improve overall design and to update a portion of a GUI page thus reducing bandwidth usage and load time in web pages to get user input and requests.

Mr. Lokesh Mullapati, we feel you will be a valuable addition to our IT services team. Please indicate your agreement to the terms as set forth in this letter by signing one copy of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nikesh Patel', written over a horizontal line.

Nikesh Patel
